INTRODUCTION

IRCLASS Systems & Solutions Pvt. Ltd. (ISSPL), promoted by Indian Register of Shipping, an International Ship Classification Society, is a leading Inspection Services provider since 1980 to various market sectors like Oil & Gas, Ports, Power, Process, Engineering, Infrastructure, Buildings (Public & Industrial), Railways, Defense etc. ISSPL is recognized for its technical competency and experience for more than 4 decades.

ISSPL - Industrial Services helps clients with its comprehensive range of services towards Quality, Reliability & Safety during whole life cycle of the asset (CAPEX & OPEX) from Planning, Designing, Procurement, Manufacturing, Construction, Testing, Commissioning and Operation.

BUSINESS CHALLENGE

Businesses produce their product to generate revenue, and when all activities and actions are pointed at a singular outcome, consistent production, an inherent pressure to achieve that outcome exists. Specially the growing employee and community awareness on the risks to the environment and their health and safety posed by the business operations, there is a tremendous pressure on the businesses to enhance the confidence level of investors, customers, employees, contractors, regulatory agencies and the society at large by putting in place proactive and sustainable mechanisms to prevent loss of life, injuries, health disorders and degradation of environment.

OUR SOLUTIONS

Manage risk and control safety-related costs by partnering with ISSPL. We combine the latest advances in safety technology with a strong history of hands - on industry experience. Our integrated safety disciplines, training matrix and compliance management, and customer - centric implementation of safety programs are an integral part of our customers' operating efficiency.

ISSPL offers a wide range of HSE services to help businesses to address their HSE risks in an effective manner across major industry sectors including oil & gas, energy, power & process, general engineering, logistics & supply chain, retail & distribution, building & infrastructure, construction etc.
