

# RISQ 3.0 COURSE

### COURSE OBJECTIVES-

This course aims to prepare participants for Rightship Inspections by providing a comprehensive understanding of the Rightship Regime and questionnaire.

### ABOUT THE COURSE-

This course provides a comprehensive understanding of the Rightship Regime and questionnaire, focusing on key areas essential for compliance and safety in maritime operations. Through a combination of theoretical learning and practical exercises, participants will gain insights into Rightship's standards, protocols, and inspection criteria.

Topics covered include vessel preparation, documentation requirements, safety protocols, and best practices for ensuring compliance with Rightship standards. By the end of the course, participants will be well-prepared to undergo Rightship inspections with confidence, contributing to enhanced safety and regulatory compliance in maritime operations.

### PARTICIPANTS-

All Officers – Deck, and Engine / For Bulk Carrier Vessels

### DURATION-

One day

### KEY OBJECTIVES-

- Introduction to the Rightship Inspection Preparation Course
- Understanding the significance of Rightship in maritime industry standards
- Exploring the history and evolution of Rightship inspections
- Comprehensive overview of the Rightship inspection process
- In-depth analysis of RISQ 3.0 framework and its implementation
- Reviewing key concepts and best practices covered in the course

## TRAINERS

### **CAPT TANUJ BALANI**

Captain Tanuj Balani, an experienced maritime professional, brings extensive expertise to his role as a trainer. With a background as a Master Mariner and advanced diplomas including an MBA and Masters's Certificate of Competency, he is well-equipped to deliver high-quality training.

Tanuj's experience as a Nautical Course officer approved by DG Shipping in India highlights his commitment to education, offering courses for Oil & Chemical Tanker and other STCW courses. His diverse background and continuous learning make him a skilled and knowledgeable trainer in the maritime industry.

### **CAPT SUNIL SHUKLA**

Captain Shukla, a Certified Trainer for the Marine industry, demonstrates a steadfast commitment to enhancing competency and skill development. With over 4 years of experience, he excels in delivering modular training onboard and via electronic platforms, adapting to evolving educational methods. His expertise includes comprehensive Human Resources training, particularly in QHSE practices. Additionally, he conducts SOP inductions to ensure industry best practices are integrated into maritime operations, reflecting his dedication to fostering a proficient and safety-conscious workforce.

### **CAPTAIN SARABDEEP SINGH MANCHANDA**

Captain Sarabdeep Singh Manchanda, a seasoned maritime professional with 19 years of experience, has excelled in roles ranging from Sailing Master to Marine Auditor/Trainer. With extensive expertise in Dry and Tanker Operations, he has conducted numerous inspections, audits, and onboard training assignments, ensuring safety and operational excellence at sea. His dedication to continuous learning is evident through the completion of over 200 hours of training in critical areas like BTM, ECDIS, SIRE, Gas Tanker Operations, SMS Compliance, and Bridge Resource Management, making him a valuable asset to the maritime industry.
